Description

Warmth and maximum comfort in our magnificent property with modern lines incorporated with nature, in this spot full of peace in Buena Vista urbanization in Calpe.

Located on a large plot of 800 m2, the house stands out with its straight lines and clean sizes. These volumes are glazed towards the pool-terrace area, taking advantage of its South orientation and creating a chill-out space next to the pool, ideal for enjoying the quaint views.

In the inside of the house we look for the sensation of warmth, with comfortable and illuminated environments in each corner. It is distributed in two levels: the main one with a spacious living-dining room perfect for losing yourself watching the formidable Peñón de Ifach through the window, independent kitchen, two bedrooms, 1 bathroom and 1 guest toilet. On the upper floor is the master bedroom suite with a beautiful terrace perfect for ending the day with an appetizer.

With your comfort and well-being in mind, the project has been conceived with the highest qualities and standards, such as underfloor heating, air conditioning, alarm or double glazing, among other things.

Easy and convenient, with multiple plans at your fingertips. Just 1 minute from Parque de la Vallesa, an incredible park to prepare a barbecue, close to restaurants, tennis club, bus stops and supermarkets.
