Description

Where comfort and quality come together to offer you an exceptional living experience. This impressive residence has modern underfloor heating, guaranteeing a cozy atmosphere, while the heat pump air conditioning gives you the perfect climate at any time of the year.

Entering the kitchen, a fully equipped space with high-end Bosch appliances awaits you. From the refrigerator to the induction hob, the dishwasher, the extractor hood, the microwave oven, the washing machine and the dryer. Everything designed to make your daily tasks a more comfortable and efficient experience. Additionally, the white Silestone countertop adds a touch of elegance to this culinary space.

To ensure an efficient and sustainable water supply, the house is equipped with aerothermal heating and a 185 liter tank. In addition, a photovoltaic solar installation provides clean and renewable energy, backed by 5.37 kWh batteries.

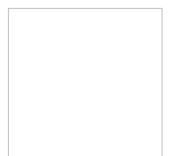

The outdoor area is an oasis of tranquility and comfort. Enjoy the pool with heat pump, the outdoor shower with hot water and the water tank with pump for the garden. The Cortizo 70 hidden leaf aluminum exterior carpentry, with Climalit glass and security, guarantees not only an elegant design, but also maximum protection.

The amenities continue with electric blinds in the living room, a security entrance door.

While the garden is fully finished with weed netting and programmable drip irrigation system.

With an alarm system, one year of pool and landscaping maintenance included, this home represents the ultimate expression of luxury, comfort and tranquility for you and your family.

Welcome to your new home!
