Description

Great property for sale, this property has a large plot of over 2400m² where we find a building of about 400m², this construction was made with great enthusiasm by the owners.

The property was a restaurant on the ground floor of the building with a capacity for about 50 people, with a modern kitchen open to the public, two bathrooms and a large storage room, when we go outside we find a large terrace decorated with great charm. Opportunity for individual room design to make it a beautiful residential home.

On the upper floor we have an apartment with a large terrace to enjoy the fantastic temperature of the area. The spacious apartment has just entered a large living room with an open kitchen with separate pantry, to the right of the entrance we have a corridor that leads to the three bedrooms and two bathrooms that the property has.

Next to this property we find a large pine wood plot and a small rustic style house where we have a terrace, a small living room, kitchen, a bathroom and two bedrooms, where you can enjoy the long days of holidays in the shade of the pines.
