Description

An estate in a unique enclave with marvelous views to the sea and the iconic Peñón de Ifach near the town of Calpe. This project has been selected for its location, orientation and sea views, each villa has been designed and specifically adapted to the plot with an exclusive design and it's own character, integrated into their surroundings as well as designed to enjoy the sea views and the benign Mediterranean climate. The resort has its own marina as well as one of the best restaurants in Calpe.

This home is distributed on three floors, turning it into a practical and functional house.

On the ground floor you will find the entrance with an elevator. There is also a garage for two cars, storage room and an apartment with one bedroom, kitchen-living room and a bathroom.
