Description

A dream villa near the sea

What if you got to experience the Mediterranean lifestyle that you have always been dreaming of in a majestic newly constructed villa? Well, you could make that dream a reality in this fantastic villa that offers incredible sea views.

Located very close to the sea at just a minutes' drive to the La Fustera Beach, this lovely property is within a lovely and quiet residential area and offers the perfect quiet escape for your bustling family life. Exuding luxury with an understated charm that is as modern as it is classic, this property has been designed to optimize on the stunning sea views of the Benissa region while letting in maximum natural light.

This has been made possible by its strategic placement even as the pool contributes towards the relaxing scenery of water as far as the eye can see and well beyond the horizon.

That, plus the open blue skies which give way to the most amazing starlit canvass at night, making each day perfect.

During those stormy and winter days, enjoy the spacious living room and get a front row seat to the changes while curled up on the sofa. Feel the cozy heat of the aerothermal air conditioning system in your safe haven even as you read that nice book that you have always been meaning to, as the subdued technical LED lighting sets the mood.

The kitchen is a home chef's dream as it comes with an island and modern appliances.

Add in the great view that the pool area affords and you will get a summation of a 5-bedroomed, 4-bathroomed home that puts a new twist to tropical living.

Other amenities that accompany this home include built-in wall fittings, a semi-basement that features two open spaces, and a complete garden with an automatic irrigation system among others.
