Description

Incredible property available for you in one of the most beautiful areas of the Costa Blanca, Calpe, with its fantastic sandy beaches and leisure areas. br>br>

The villa is divided into 2 houses connected to each other through a beautiful patio.br>br>

The second house was built in 2012 and the fantastic pool has just been completely renovated in 2021.br>br>

We also find some chill out areas, with their own Jacuzzi, on the terraces next to the pool, as well as a porch with an area to eat and a desired wood-fired oven, very typical in the area where we can make our own homemade bread or pizzas. br>br>

So the house has 2 modern kitchens, pre-installation of gas heating.br>br>

If you are interested in having views of the sea, you could expand and build one more floor from where you can enjoy beautiful views of the sea.br>br>

Just 3 minutes away we find a variety of restaurants, supermarkets...br>br>

The sandy beach is a very short distance from the house.br>br>

Being very well insulated, it is nice and cool in summer and warm and comfortable in winter.br>br>

Get started now and contact us to make an appointment and don't miss out on this wonderful opportunity to make your life dream come true.
