Description

Townhouse for sale in the centre of Teulada.

This property needs a complete reform, but has a great potential due to its dimensions and the character of the house.

It is located in a very quiet area only a few minutes from Moraira, Calpe and Benissa. In the heart of the Costa Blanca and only a few minutes from the Mediterranean Sea.

It is distributed in 3 different levels and has access from two streets. There are around 470 m² which can be used as living room, dining room, bedrooms, games room, etc.

It has several natural tosca arches. It was once the village bakery and where the oven used to be, there is now a beautiful large interior courtyard.

It dates from the beginning of the 20th century, although it was renovated in the 1980s. The ceilings are high, and it has many windows and charming corners. The highest floor has attic ceilings, it was the old "cambra" or the former storage area for farm products. Here you could make a large terrace with lots of sun and views.

It already has electricity, water and a water deposit.

Ideal to enjoy the tranquillity of our beautiful region and at the same time be only a few minutes from the beach and all amenities.

Perfect as a rental investment and at the same time as a great family home.

Worth a visit, do not hesitate and make your appointment now.
