Description

Townhouse to reform for sale in Benissa.

This property is located in the most emblematic street of Benissa, in the heart of the old town. One of the historical jewels of the Costa Blanca. And just a few steps away from all the services, as well as the access to the motorway. In the heart of the Costa Blanca and only a few kilometres from the beautiful Mediterranean beaches so typical of this region.

The property is accessed through a wooden big door typical of the stately homes of the period. The ceilings are high and with wooden beams. In addition, most of the floors are covered with old hydraulic tiles.

On the ground floor there is a large entrance hall, a living-dining room with a fireplace, a bedroom, a beautiful patio which gives light to the house and at the same time leads to a cellar-cave ideal for storing wine.

Upstairs we find the kitchen area, a dining room, a bathroom and a bedroom.

There are also 3 more bedrooms and a storage room on the next level.

Like most of these houses here there is an attic and a terrace from where you can enjoy beautiful views.

The property could be extended and could even be converted into a charming B&B.

Ideal to enjoy the tranquillity of such an interesting town as Benissa. Its cathedral has just been named a minor basilica by Pope Francisco (there are only 125 in Spain), making it a place of pilgrimage.
