## 4 bedroom Villa in Moraira

Moraira, Alicante, Spain

### Description

This exquisite modern design property is nestled on a hillside in Moraira's picturesque village. This magnificent house is located in a lovely and peaceful residential area, but it is close to supermarkets and restaurants in the gorgeous environment of the Alicante province.

The house is delicately constructed with an east orientation and offers magnificent views of the sea from all areas while maintaining the spirit of living in a warm and cosy home. This is due to its advantageous location facing the beach, even as the pool contributes to the calming scenery of water as far as the eye can see and well beyond the horizon. That, combined with the open blue sky that give way to the most spectacular starlit canvass at night, makes every day ideal.

During those stormy and winter days, enjoy the spacious living room and get a front row seat to the changes while curled up on the sofa. Feel the cozy heat of the fireplace in your safe haven even as you read that nice book that you have always been meaning to, as the subdued light sets the mood.

When the sun is out, take a seat at the covered terrace situated to the front of the lounge and bask to your heart's content. Add in the great view that the rooftop affords as well as the pool area and you will get a summation of a two-leveled 4-bedroomed, 3-bathroomed home that puts a new twist to tropical living.

The swimming pool faces south and surrounds the living area, providing a refreshing atmosphere. The areas are more connected to the outside and beautifully blended with minimalist, floor-embedded carpentry. There is no better time than the present to make your new home your own.

Discover yet many more surprises lying in store for you within this great property by making the home yours today.
