Description

This charming house is situated in a cul-de-sac with no traffic, adjacent to a "green zone" that may not be built on so this villa has complete privacy. The house is built on a double plot, with a garage at street level and through an automatic gate on the second plot there is access to a parking space for 3 cars and the entrance to the house. On this level there is a cosy covered terrace, porch, living room, dining room, kitchen, 3 bedrooms and 2 updated bathrooms. On the intermediate level is the swimming pool (10 X 5), outdoor shower and a bar/summer kitchen, bedroom, renovated bathroom and storage room. The property is surrounded by fruit trees: orange trees, lemon trees, mandarin tree, plum tree and cherry tree.

The villa is very well maintained and radiates a real Mediterranean atmosphere, gas central heating, fans and air conditioning in the living room.

The 2nd plot can possibly be sold separately.

Highly recommended for people who love a traditional house with lots of privacy and tranquility.
