Description

The house is located in the well-known area of L'Andragó in Moraira. It is just 350m from the Andragó beach and about 200m from the promenade next to the road that leads us to Moraira town and the different shops and restaurants, all very close to each other.

The house will be built with the usual qualities of Coinver Costa Blanca S.L. 482 m2 + terraces and pergola.

It has 5 bedrooms, 4 bathrooms and two guest toilets, kitchen with island, outdoor kitchen for summer, large multipurpose basement, with the possibility of use as a gym, games room or even an independent apartment. The basement is illuminated and ventilated through an English patio.

The house, garden and pool are all on the same level, so you can enjoy the entire garden. Inside the plot there is a large pergola to park two cars.

From the upper floor there you will get to see the beauty of the mediterranean. The house has an exquisite design with a multitude of details in dry natural stone, as well as a lush garden.
