### Description

Spacious finca with beautiful panoramic views for sale in Benissa.

This stunning estate is situated in a quiet rural area, not far from amenities and beaches. It has stunning panoramic views to the Bernia mountains where the lovely sunset can be followed. The access to the property goes through the country side via an asphalted road.

An electric gate open to the big parking area with double carport and garage. The garage offers also a workshop and a store room in the back. A few steps lead to the main entrance where we enter in a big hall. Straight on is the spacious lounge with a pellet burner followed by the dining area and the modern fully equipped open plan kitchen with pantry. From this area we access the big 3 arched naya, with another dining area and a lounge area. From here we can access the rectangular heated 5x10m pool with its generous terraces around, including a summer kitchen and outdoor shower. The surrounding area of the pool is nicely planted with fruit trees, shrubs and other plants. The pool steps and -border were renewed in spring 2023.

Back in the reception area down the corridor we find in the end a big master bedroom with bathroom en-suite, further 2 double bedrooms sharing a showerroom and a guest toilet. In the reception area a stair leads up to the first floor with a huge master bedroom with dressing room and spacious bathroom. On this level we also find the 5th bedroom, currently used as an office.

The whole house benefits from wooden double glazed windows, underfloor heating, air condition (hot / cold) and a domotic system. Recently a 6,5kw photovoltaic system has been installed, in addition to the hot water via solar panels.

This property would make a lovely family home and for people who are looking to be in the nature in piece and quietness.
