### Description

Beautiful and unique designer villa for sale in Moraira with sea views.

This luxurious property stands out for its combination of a modern house with a warm and top quality touch that makes it a real home from home.

It is located in the beautiful village of Moraira with its blue flag beaches and its great selection of good restaurants, shops and the beautiful marina.

We enter the property through a spectacular entrance with a high wooden door. From the entrance a hallway leads to the 3 guest bedrooms, all of good size with fitted wardrobes and with large doors to the terrace with its fantastic infinity pool with built in Jacuzzi. Each bedroom has an en suite bathroom and each room has floor to ceiling doors.

Returning to the entrance hall we continue into an impressive hall with a double height ceiling, large windows and dazzling light. As we enter we pass a beautiful fully fitted state of the art Santos kitchen. The large front doors open into the walls to combine indoor and outdoor living, making the most of the good climate of this beautiful area.

Behind the kitchen there is a good sized utility/storage room and a guest toilet. The living/dining room immediately catches the eye with its beautiful fireplace, which is the centre of attention and creates a cosy atmosphere.

Upstairs is the fantastic master suite with lots of light, a large dressing room, a beautiful en-suite bathroom with bathtub and double shower and a terrace. This level has spectacular views to Moraira and the sea.

As if this was not enough, there is even more. In the basement of this beautiful property there is a room that can be used as a cinema or entertainment room with wine cellar and a kitchen. Also on this floor is a good sized garage with electric gate and extra parking outside. The house is accessed by an internal staircase.

Don't miss the opportunity to visit this property of excellent qualities that lacks no detail.
