## 3 bedroom Townhouse in Tormos

**259.000 €**

Tormos, Alicante, Spain

Ref: 692276

### Description

This beautiful 3-bedroom refurbished village house is located near the centre of the village of Tormos. There are 2 entrances into the property from the road. The first entrance is through a wooden door leading into a beautiful large paved courtyard. The second entrance is through a lovely old wooden door leading into the house itself. To the rear of the courtyard is a stone double arched single storey building ideal either as a summer kitchen/ dining area or an office. The house itself on the ground floor is open plan and consists of a large modern kitchen/ dining area, a hall, and living area. In the main living area there is a pellet burner, there is gas central heating throughout and also w.c, on this level. On the upper level there is a large landing at the top of the stairs leading to a large bedroom with another landing leading to a family shower room and 2 bedrooms, with 1 bedroom having an ensuite shower room. The bedrooms have A/C units fitted. There is also an attic for storage. This is an exceptional townhouse refurbished to a high level and with exceptional taste to expose much of the original stonework. It is also much brighter than many similar sized village properties. The large paved courtyard at the side of the property is totally private, having a large stone wall separating it from the road outside and providing total privacy. This outside area is perfect for outside entertaining in the warm summer evenings. Overall an unusually tastefully refurbished large village house which would be ideal as either a permanent home or just to be used for holiday breaks.
