This breathtaking view is just as impressive in the evening, making every moment on the terrace a true delight.

The terrace itself is a fantastic spot to relax, soak up the sun, and enjoy the gentle Mediterranean breeze while savoring this unparalleled view. The interior is designed with comfort and functionality in mind, featuring recently updated household appliances and air conditioning/heating.

The living room, kitchen, and dining area seamlessly blend together, creating an inviting space filled with natural light through the large windows. It's a place where you'll feel right at home. The main bedroom is a peaceful retreat, with a spacious en-suite bathroom and a hallway with ample built-in wardrobes for plenty of storage. The second bedroom is equally spacious, with a well-placed bathroom on the other side of the hallway.

A convenient feature is the spacious storage room in the hallway near the apartment, perfect for storing your belongings. Additionally, the parking garage just around the corner from the elevator provides a space for one large car, making life a bit easier.

The Villa Marina Golf complex, with two communal swimming pools, is perfect for relaxing summer days and tranquil moments. The well-maintained green communal areas contribute to the overall charm and provide a peaceful backdrop for a delightful Mediterranean lifestyle. Notably, the active owners' association ensures excellent maintenance of the building.

There are also visitor parking spaces in the complex. For added convenience, three concierges are available, with two alternating during the day and one at night. They are all service-oriented, multilingual, and ensure a secure environment.

This beautiful apartment is for sale, and the furnishings are negotiable for interested buyers. Don't miss the chance to make this gem in Altea your home—a perfect blend of comfort, simplicity, and the breathtaking beauty of the Spanish coastline awaits you.
