Description

A great investment opportunity to acquire this lovely Ibizan style property on a large double south facing plot. The plot size is 1,702m² with a nice sea view from the second level. The 141m² property was built in 1972 and in original condition. The swimming pool was built in 2015. The property could be renovated and further developed or a total new construction is also possible. The large plot size allows plenty of scope to build a property of around 500m². The location is very close to all amenities of Moraira. About a 4 min drive to Algas/Andrago in Moraira. Viewing highly recommended.
