### Description

We offer you the opportunity to acquire this magnificent villa under construction in the urbanization of Tosalet in Jávea, a short distance from all services. This impressive modern luxury villa is being built in a privileged location with sea views. The main floor consists of a large, very bright living-dining room with access to a spacious terrace, perfect for enjoying the beautiful sea views, a fully equipped modern open kitchen, a courtesy toilet, and a large master bedroom with an en-suite bathroom. On the lower floor, at garden level, there are two bedrooms, a bathroom, and a laundry room. A separate space can be converted into an additional bedroom with a bathroom. A large covered terrace with a barbecue area offers us shade in the summer. The open terrace features a large swimming pool, wide entrance steps, and underwater lights. The entire villa comes equipped with central heating, air conditioning (hot/cold), double-glazed windows, and solar panels. The parking is double, covered, and has an electric gate.
