Description

Silver Tower – Exclusivity, design, and unparalleled views in the heart of Calpe. Silver Tower is a unique new development in Calpe, an icon of contemporary architecture that redefines the concept of luxury on the Costa Blanca. Located in the very center of town, just 150 meters from Arenal Beach, this extraordinary tower combines a prime location, innovative design, and exceptional quality. The building comprises 15 floors and only 33 apartments, guaranteeing privacy and exclusivity. It offers 2- and 3-bedroom apartments, ground-floor apartments with gardens, apartments on higher floors, and spectacular duplex penthouses with private pools and solariums. All properties include an underground parking space and storage room, and enjoy spacious terraces designed for year-round Mediterranean living. The development features landscaped green areas, ample relaxation spaces, and an elegant communal pool, creating a sophisticated and tranquil residential environment. A truly exceptional home – 13th Floor. We present, without a doubt, the most beautiful apartment currently on the Calpe market. Located on the 13th floor (unit 13B), this exclusive apartment offers breathtaking panoramic views of the Peñón de Ifach, one of the most iconic natural landmarks of the Mediterranean. The apartment features: 2 bedrooms and 2 bathrooms, a separate dressing room, a total area of 115 m², a spectacular terrace with a brand-new, unused private jacuzzi for 4 people, a large exclusive sunbed for enjoying the sun and the views, two parking spaces included in the price, and a private storage room. The apartment has been completely customized and redecorated with an exceptional level of detail, far exceeding the standard for new builds. Every element has been carefully selected to create an elegant, sophisticated, and timeless ambiance. Among the high-end upgrades and finishes are: Eichholtz furnishings and decor, a Bang & Olufsen television and audio system, Devon & Devon luxury bathroom fixtures and fittings, a Hypnos bed in the master bedroom, and an investment of over €25,000 in exclusive upgrades. The result is a unique, move-in ready home designed for the most discerning buyers. Calpe: Luxury, Climate, and Quality of Life. Calpe is one of the most sought-after destinations on the Costa Blanca, renowned for its crystal-clear beaches, gastronomy, marina, and international atmosphere. Enjoy a privileged climate with over 300 days of sunshine a year, mild winters, and pleasant summers, ideal for a permanent residence, a second home, or a premium investment. Living in Calpe means experiencing the Mediterranean at its finest, with all amenities, restaurants, boutiques, and beaches just steps away, and the majestic Peñón de Ifach as a backdrop.
