Description

This magnificent villa has been individually designed in the traditional natural stone Finca style and built from top quality materials. Peacefully located within 3 acres of private grounds the views reach far across the valley towards Teulada and still just 8 minute drive into Moraira town centre and beaches. A large part of the plot has been cleared away, in order to create a level for the house, pool and secluded entertainment areas with an impressive covered terrace and barbeque area adjacent to the pool. Inside the property is divided into two separate living entities internally linked offering flexible accommodation, all bedrooms with private en-suite bathrooms, two generous master suites and glorious kitchen in the heart of the property. This imposing villa offers peace and tranquillity just a few minutes from the Jewel of the Costa Blanca.
