Description

This villa under construction in Moraira combines natural stone, warm wood accents, and large glass panels with an open view towards the sea. Thanks to its southeast orientation, the home enjoys plenty of daylight and a natural connection between indoor and outdoor spaces. The ground floor includes a double-height living room, dining area, and open kitchen with an island. On this level, there are also three bedrooms, three bathrooms, and a guest toilet. The upper floor is entirely dedicated to the master bedroom, featuring an ensuite bathroom, closet space, and a private terrace. A lift connects all levels to the basement, which includes a double garage, technical room, and storage area. The villa also features central heating and hot/cold air conditioning. Outside, the infinity pool, Mediterranean garden, and open and covered terraces create a tranquil place to enjoy the climate year-round. The enclosed plot is located about 1.5 kilometers from the sea and 5 kilometers from the center of Moraira.
