On the ground level you find the main entrance with good sized cloakroom with double storage cupboard, guest W.C and laundry room housing the washing machine and tumble dryer, plus storage units. Archways lead into the lounge and dining room. The whole area features timber ceiling beams and a corner fireplace in the lounge. The stairs have a lovely high ceiling with timber beams, leading to the landing area with storage cupboards, two double bedrooms and one large family bathroom.

Outside: There is lovely dining area with ample terraces for sunbathing and relaxing. Two good sized storage rooms. The community benefits from a brand-new septic system as of Sep 2023 and this complies with the new water quality laws passed in Moraira during March 2024. The Community allows holiday rentals and long term rentals and is also pet friendly. Tourist licences are available if renting out. The pool and gardens have recently been renovated and this small tranquil enclave of just twelve properties is well managed and maintained.
