Description

Exclusive, spacious penthouse located in one of Dénia's most desirable areas, just a short walk from the beach, the Las Rotas promenade, the Dénia Marina, and the Yacht Club, and only 5 minutes from the city center.
The property is distributed on a single floor and features four large bedrooms and three bathrooms, two of which are en suite. The master bedroom stands out for its generous size and includes a dressing room and private bathroom. All bedrooms have direct access to terraces, providing a seamless connection with the outdoors and abundant natural light.
The penthouse boasts multiple terraces: a front terrace with a covered area, perfect for enjoying even in winter, as well as terraces on both sides of the property. Thanks to its various orientations and large windows, the property is bathed in natural light throughout the day, with plenty of sunshine and ventilation.
The living room is spacious and open-plan, seamlessly integrated with the kitchen, creating a modern and functional space perfect for everyday living and entertaining. From various points in the apartment, you can enjoy unobstructed views of Montgó mountain and glimpses of the sea.
The property is located in a small, very quiet community, ideal for year-round living or as a second home. It includes a large storage room, equivalent to a private garage, and a very spacious parking space.
Its excellent location allows you to walk to all essential amenities: supermarkets, a pharmacy, restaurants, and leisure areas, making this penthouse a unique option in terms of space, convenience, and surroundings.
