Description

Just a 4-minute walk from the beach and the centre of Moraira, The White Collection presents an exclusive private development of just 4 villas. Each residence sits on a generous plot of more than 1,000 m², with the best south orientation to enjoy maximum natural light and a design conceived to guarantee absolute privacy.These unique homes combine contemporary architecture with Mediterranean warmth: spacious terraces, private pools, stone details, wooden pergolas, arches in the nayas and lush gardens create an atmosphere of refined serenity. Inside, the open and bright spaces naturally integrate with the outdoors, where the sea breeze and sunsets become part of everyday life.With only 4 houses available, and prices starting from €1,795,000, this boutique urbanisation unites exclusivity, comfort and proximity to the heart of Moraira ideal for those looking for privacy without sacrificing the comfort of coastal life.
