Description

Light, tranquility, and terraces for enjoying the Mediterranean all year round.
Located at km 4 of Las Marinas—just a few meters from the beach and close to supermarkets, restaurants, and all essential services—this apartment is an excellent opportunity for those looking to embrace the Mediterranean lifestyle in a peaceful, well-maintained setting.
Situated on the first floor, the property stands out for its brightness and two spacious terraces, which offer different orientations, allowing you to take advantage of the sun at various times of the day and create inviting outdoor living spaces. Furthermore, the layout promotes cross-ventilation—a significant advantage during the summer months.
The apartment features two bedrooms, a bathroom, and a kitchen that opens onto the living room, creating a comfortable, functional, and welcoming space. The living area provides direct access to one of the terraces, seamlessly blending the indoors with the outdoors and fostering a pleasant sense of spaciousness.
A parking space is included in the price—an added benefit that ensures convenience and peace of mind throughout the year, especially during the high season.
The property is set within a very quiet, well-kept residential community, making it an ideal choice whether for a seaside vacation or as a year-round residence.
A perfect home for those seeking the beach, natural light, outdoor space, and a high quality of life in Dénia.
